

People Power!

Do you...

- Believe people and communities matter?
- Want to change the social care and health system so people have more control over their lives?
- Think common sense should prevail?

Sign up **NOW** for **FREE** and join thousands of others to help make this happen.

In Control wants to help create a public movement for change and we need **YOU** to sign up to help get this started.

Once you're signed up, you'll get lots of information, advice and access to a ready-made network of people. And once 1,000 people have joined we'll be back in touch to ask all of you to decide how to drive it forward and make it matter. **Turn over to sign up.**
