

Growing into Independence – the good, the bad and the brilliant!

Examples from attendees at the conference of 'brilliant':

Nottingham City – Short breaks residential unit with a focus around 16-25

Croydon – Individualised Learning pathways – keeping young people in the local area and building a programme around them

Essex – Young Professionals – Children and Young People involved in the development of Essex Local Offer

West Sussex – PCP training for parents, young people and professionals

Kirklees – Planning for Life (creative thinking, aspirational focus, networks and starting earlyish)

Middlesbrough – Steps towards seamless working across children and adults and a worked up case study/example 'into supported living'

Hertfordshire – young people sit on commissioning board, investment in training

North Yorkshire and Humberside – Strategic Clinical Network – transition toolkit

(www.yhscn.nhs.uk/transition.php)

Action for Children – employment and housing support for young people

Nottinghamshire – Project Search – collaboration between County Council / Schools and NHS

? – Local partnership between statutory and VCS started up a volunteering project
