

Social Care Future On-Line Festival

Shifting the Power

Thinking about power

<https://www.youtube.com/watch?v=4K5fbQ1-zps>

Thinking about power

Thinking about power

Resistance:

- why do we want to resist current forms of social care?
- how do we resist current forms of social care?
- what is our alternative, so that we can galvanise change?

Breakout rooms

Think about times when you have:

- Wielded power
- Felt powerless

Polls

Knowledge + Money = power
True or false?

Polls

If you use social care , you
can never have power?

True or false?

Breakout rooms

- Why is power such a big issue in social care?
- What are the main power points in social care?
- Where is the hidden power?
- Share your stories to illustrate any of these

Power points in social care

Strategic power

Legislative power

Organisational power

Financial power

Cultural power

Worker power

People power

Community power

Relational power

Resistance power

Superpowers

Regardless of role, what are the superpowers that we want to grow and nurture?

Action!

What would it take to make any of those superpowers a reality?

What action can you you do now to grow your superpower?
