Why?

- Take back the power
- Be heard
- Shape SCF's work moving forward

Why?

We all want to live in the place we call home with the people and things that we love, in communities where we look out for one another, doing things that matter to us.

That's the social care future we seek. #socialcarefuture

Questions

What does this vision mean in your life?

In what ways do or don't you experience this now?

What would need to change in social care to make this vision a reality for you or for your family or friend?

What would help make this happen?

What stops this from happening?

Any good examples we should know about?
